

SSN SMALL BUSINESS &
NONPROFIT DEVELOPMENT GROUP

“Thank you for investing
in the community that invests
in you”

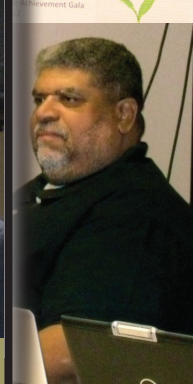

It is with deep appreciation that we
thank all who attended our 2012 SBND
Community Enterprise Achievement Gala at the
Chicago South Loop Hotel.

Stephanie Neely,
Chicago City Treasurer

William T. Rogers, Chicago Defender
Senior Account Executive

It was a grand evening for recognizing accomplishments of small business and nonprofit enterprises throughout the State of Illinois, Cook County and City of Chicago.

We also appreciate our honored guests and nominee finalists who presented empowerment statements that encouraged our audience to invest in community enterprise success.

A special thanks is extended to Rev. Dr. L. Bernard Jakes,

National Women Veterans United, One Heart One Soul and Joy Binion for setting the tone of our event.

All in attendance were touched by your opening prayer, honorary color guard presentation, and the talent of our youth that was expressed through poetry and song.

We look forward to celebrating your achievements next year. If you are a corporate enterprise seeking to expand your market to over 16,000 professionals, register

today as a sponsor of our next community enterprise development event.

We especially thank our sponsors and vendors who invested in the success of our 2012 SBND Community Enterprise Achievement Gala.

Sincerely, SSN Small Business & Nonprofit Development Group
